Wrentham's Early History

Wrentham was settled in response to a vote by Dedham selectmen who, in the early 1660s, 'deputed men to search and view Indian lands around Wollomonopoag' - as the area was then known. After viewing the land 'near about the pond' now known as Lake Pearl the men recommended to Dedham town meeting that a settlement be located here.

Shortly thereafter Dedham general town meeting voted to establish a plantation on the 6 sq. miles purchased from King Philip for L20, 10 S. Settlers drew lots for parcels of land in the Plantation. And after a rough start, Wrentham was actually incorporated in 1673. And thus Wrentham was born.

It is interesting to note that at various times throughout her history Wrentham has been known by a number of names including: Wollomonopoag, Sheldonville, Lake Pearl Station, and Wampum Station.

Miscellaneous Recycling / Hazardous Waste Information

Plastic Bags

Try not to put ANY plastic bags in with your recycling. They clog up the machinery at the recycling plant and contaminate the recyclable items. Return them to a local store that recycles plastic bags. You may also include clean and dry plastic bags such as the plastic wrapping from paper towels & toilet paper, bread bags & non compostable produce bags.

Household Hazardous Waste and Donation Event

Household Hazardous Waste Day and Wrentham's Donation Event is held during the month of **May** at the DPW and Senior Center Parking Lots on Taunton Street.

Tires, oil based paint, old pesticides/fertilizers and other chemicals are considered hazardous waste so you cannot dispose of them in the regular trash. Store these items until Household Hazardous Waste Day. You may take these items on that day and dispose of most items for free and others, such as tires, for a nominal fee.

Used Motor Oil

The DPW can no longer accept used oil. Most used oil can be returned to the point of purchase if you save your receipt. Please check with your retailer upon purchase. Used oil can be turned in during Household Hazardous Waste Day at no charge.

Brush Dump

The Brush Dump (located at the DPW, 360 Taunton Street) is where you can bring grass clippings, leaves, brush, Christmas trees. The DPW regularly aerates it so that the compost produced can be used by Wrentham residents for their yards. All yard waste requires a permit (\$20.00 per calendar year). Check with the DPW office at (508) 384-5477. The brush dump is open on the 1st and 3rd Saturdays of the month from 9:00 a.m. to 1:00 p.m.

- DPW Brush Dump Winter Hours - September through April
- Monday - Friday 7:00 a.m. to 3:00 p.m. (gates close at 3:00 p.m.)
- DPW Brush Dump Summer Hours - April through August
- Monday - Thursday 7:00 a.m. to 5:00 p.m. (gates close at 5:00 p.m.)

Burning Season/Burning Permits

Open Burning is allowed from January 15th through May 1st at the discretion of the Fire Chief. Permits are free of charge. Further instructions may be found on the Fire Department's webpage (<http://www.wrentham.ma.us/burn-permits>).
