\*Large or complicated projects may require up to a 30 day advance review time for Town Departments per the requirements of the Wrentham Zoning By-Law. Applications are accepted in the order of which they are received. Due to the volume of applications being processed at that time of submission, there is no guarantee that an application received by the corresponding deadline will be added to that particular meeting's agenda.

Please contact the Planning Department if you have any questions pertaining to the schedule.
